NOTE Funds are granted for equipment, materials and supplies that support and enrich the curriculum for students of Lake Shore Public Schools. The Foundation does not fund field trips, or large group activities such as assemblies.

Submit the completed application to the Lake Shore Foundation, c/o Lake Shore Administrative Office. If you have questions contact Rachelle WynKoop at 586-285-8460 or email LSFEE@lsps.org

Please attach a printed proposal that includes the following information:

1. Describe in detail the proposed use for requested funds. Indicate the area of the curriculum that it would support and the number of students who would benefit. Please include the catalog or vendor and descriptive literature along with the price including shipping.
2. Indicate the name of the administrator with whom you have discussed this proposal. State whether the amount requested would complete the project or if additional funds may be required at a later date.
3. Include any supporting information to assist the Foundation members in making a decision. Grant requests may be delayed due to lack of required information. If additional details are required, you may be requested to attend a LSFEE meeting.
