You must complete a Health Screening before entry.

Debe completar un examen de salud antes de ingresar.

The safety of our employees, students, families and visitors remain our overriding priority. Only those employees and visitors critical to providing services to our students and families, are permitted at any Lake Shore facility at this time. To prevent the spread of COVID-19 and reduce the potential risk of exposure, we are conducting a simple screening questionnaire. Your participation is required to help us take precautionary measures to protect you and everyone in this building.

Form: Lake Shore Public Schools - COVID Symptom Screener for Staff and Visitors
