**FHA & VA PROGRAMS**

Insured/guaranteed loans by these agencies make it easier for low-income & poor credit persons to qualify for mortgages. Settlement costs can be financed, allowing the down payment to be as low as 2% to 3%. VA is the most generous: with a VA mortgage, you make no down payment, and you don't have to pay private mortgage insurance—a savings of \$60 to \$90 per month for a standard loan. Also you need only average credit, and there are no income restrictions, top or bottom. Real estate agents are a major source of information about these programs. Real estate firms

		often hold free seminars about FHA & VA
RURAL PROGRAMS	517-548-1550	The Direct Single Family Housing Loan is an insured loan offered by the Department of Agriculture to assist first time home buyers (may include families whose current housing is not meeting their needs) to purchase property in rural areas. Loans are provided with no down payment, and rate reductions may reduce interest as low as 1%, based on ability to pay. Contact the Dept of Agriculture, or real estate agents in rural areas.

CITY OF WARREN DOWNPAYMENT ASSISTANCE PROGRAM	586-574-4686	Up to \$3,000 per eligible low/moderate income first time homebuyers is provided as a forgivable loan -- payments are deferred and the loan is forgiven after 5 years of owner occupancy. Homeowners must pay 3% of the purchase price with their own funds. The City's loan is applied to 2% down payment and closing costs. The lender must also provide financial assistance.
