

Fellow Shorians,

As this year comes to an end, I want to take a moment to thank each and every one of you for your part in making Lake Shore Public Schools such a special place. It has been a year of accomplishments and celebrations, raising our levels of achievement to heights not seen before. Whether in the classroom, on the stage, in the studios, or on the playing fields, our Shorians from Kindergarten to 12th grade did amazing things that I could not be more proud of.

How does this happen? It's not by luck or happenstance. It is the result of coordinated hard work and innovative thinking between vested families, dedicated staff, and talented students. We all have a hand in giving our children the best chance at success. It's our Custodians that make certain our facilities are in tip top shape. Our secretarial and food service staff that greet our children with smile. Our teachers and support staff inspiring our students to give their very best. Our parents wrapping their arms around our kids in celebration and in support of tough days. Lake Shore is all of these things.

As we look to the 2019-2020 school year, I know that we will all continue to embrace our role in raising and supporting our kids to be the very best person they can become. To strive for personal greatness in both their academic and extracurricular endeavors. To serve their community and peers in a selfless, caring fashion. To continue to make Lake Shore a place that is unlike no other.

Thank you for a wonderful school year and on behalf of all of us here at Lake Shore, we wish you a safe, relaxing, and rewarding summer.

Sincerely,

Dr. Joseph DiPonio

Superintendent

Lake Shore Public Schools
