

MEET UP and EAT UP™

chartwells 
serving up happy & healthy

In an effort to support our families and greater community during this unprecedented time, Lake Shore Public Schools, in partnership with Chartwells Food Services, will continue to provide free, healthy meals to all children under 18 years old and special needs children up to age 26 regardless of where they go to school or whether they qualify for free and reduced meals.

To help minimize the amount of social exposure, families and children can either drive or walk up to the following outdoor distribution locations on **Tuesdays and Fridays from 10am-1pm** to collect breakfasts and lunches to take home.

Lake Shore High School

22980 E. Thirteen Mile Road, Saint Clair Shores

Children do not have to be present for parents to request meals.

Please look for updated communications through your email, our social media, and at <http://lakeshoreschools.org/>. If you need immediate assistance, know someone who does, or this Food Distribution time frame does not work for you, email covid19help@lsps.org.
