

Non-Homestead Operating Millage Proposal

Vote February 27, 2024

**NO CHANGE TO A HOMEOWNER'S PRIMARY
RESIDENCE TAX RATE**

Operating Millage Proposal

- This millage will have no effect on a homeowner's primary residence (the home in which a Lake Shore homeowner lives).
- This millage only applies to

Businesses

Second homes

Rental property

- While school districts can only levy a non-homestead operating millage of 18 mills, Lake Shore Public Schools—like many other Michigan school districts—is asking for 19.3227 mills to protect the school district from any future rollbacks.
- If the millage is not renewed by Lake Shore voters, the school district will lose \$2.6 million in operating revenue. This will necessitate substantial reductions in the educational program.
